

SUNDAY DEPOSIT

Sunday deposited wife's
check at B of A
thru outside slot
then walked to Lucky's
for French bread.
Back at car notice
young guy in fatigues
shatter bank door
with rifle butt
& duck in.
Act dumb
while bagboy at
safer distance
races hell bent
for the phone.

NAP DREAM

Old fashioned war movie.
Had to pick off enemy
soldier raking us from
hill with machinegun fire.

Dreams sometimes allow you
to smash heads other times
force you into slow motion
give you pillows for fists.

BLUE FUNK

In blue funk unable
to see past tomorrow
hit whisky & slowly
realize want to stick
around see how son
daughter do ...
meet their children ...
pass along a few stories.
